

Council of Administrators of Family and Consumer Sciences
Archivist's Report
2005-2006
Kitty R. Coffey

The Archivist has served as the Council's historian providing information regarding past events and trends. In addition, the Archivist has collected all Council agendas, minutes and reports as well as annual meeting program materials for the hard copy files of the organization. Moreover, the Archivist has served as a depository for past hard copy files of the Council accumulated and passed on to her by the former Archivist, Dr. Nina Dilbeck.

Future plans include scanning materials to make electronic copies available online to the organization. This initiative was attempted during summer 2005 but postponed to summer 2006 due to illness/resignation of a student worker designated to perform the tasks funded in the Council budget for 2005-2006 and 2006-2007.

Respectfully submitted,

Kitty R. Coffey
